Communication

- All partners get one month each to write a news item for the Nordnatur website
- All new courses add a mandatory task to the students – write a short note and give a picture or two to put into the web site

- Each partner institution have one "Nordnatur student" that can have a special responsibility to inform other students, put things into already existing student Facebook or Instagram, cooperate with the coordinator on upcoming things
- Complete a list of all available intensive and English courses
 - o Every course has a link to the host institution web site – the coordinator is responsible
- Teacher exchange – get a list of all the participants and what kind of guest lectures they can give – everyone makes a LinkedIn profile
- LinkedIn – all the profiles could be joined in one group – Elisabeth/Marieke

Additional

- How to invite new partners?
 - o Elnab – SLU. Susanne contacts Elisabeth/Marieke to agree on who contact whom/how to proceed
- Nordnatur contact student - student(s) related to the NordNatur coordinator at each campus to promote Nordnatur among other students.
Let Marieke know which student from your institution will be Nordnatur contact student (send an email to: marieke.gonlagschrijvers@hihm.no)
- Keeping the website updated - responsible partners for writing a news item for the Nordnatur website (send to marieke.gonlagschrijvers@hihm.no):
